CRAFT beers on tap

Fat Yak - Matilda Bay ----- 6 / 11.80

Fat Yak first impresses with its golden colour, distinctive, hop driven, fruity and herbaceous aromas, giving characteristic passionfruit and melon notes. Fat Yak pairs well with almost any food, but we reckon you should try it with spicy wedges, cheese & tomato pizza or a grazing platter with friends.

Lazy Yak - Matilda Bay ----- 5.70 / 11.20

Lazy Yak is an easy going Australian Pale Ale, balanced with a light bitterness and full sweet malt flavour with tones of citrus and light passionfruit coming from the Citra and Nelson Sauvin hops. Perfect match for the aussies classic like a parma or battered fish & chips.

Minimum Chips - Matilda Bay ----- 6 / 11.80

Minimum Chips Handcut Golden Lager is perfect for the warmer months as well as pairing with classic summertime food. Whilst many premium lagers are malt driven, Minimum Chips is differentiated by its appreciable hop bitterness and crisp full flavour. Match with a calamari salad or a vegetarian pasta dish.

This beast from Feral Brewing packs a punch of citrusy flavours and hop aromas typical to the IPA style. This beer is loaded with American hops which brings a strong pine needle and citrus aroma which is followed by a dry finish. A must try for all beer lovers!

Feral Karma Citra—Black IPA - Swan Valley WA ----- 9.50

Feral Brewing call this beer a 'sexed up' version of an IPA. This beer combines floral American Citra hops with dark malts, to produce a smooth brew with chocolate and toffee undertones and a big tropical citrus aroma and flavour.

Stone & Wood - Pacific Ale - Bryon Bay NSW ----- 9

Stone & Wood have created the quintessential summer session beer! The Pacific Ale is jam packed of fresh tropical, passionfruit and citrus aromas & flavours with just a hint of bitterness. It's cloudy, unfiltered and such an easy drinking beer.

This well known pale ale uses whole hop flowers from all over the globe which provides the beer with intense citrus and stone fruit characters. It's a beer that's ultimately refreshing with a distinct bitterness.

Little Creatures Bright Ale - VIC ----- 9

This is the new and improved classic beer from the Little Creatures Brewery. They have made subtle changes to the recipe and hop profile, improved refreshing-ness and making it a tad hoppier with minimal bitterness. It is a full flavoured, session favourite.
